# 15 tonnes of food needed

Hospitality and Hope is a local charity working at grassroots level in South Shields and South Tyneside since 2002. Hospitality & Hope currently supports vulnerable individuals and families living on the margins of society. Demand for the Food Bank is increasing yearly and the roll out of Universal Credit has impacted the area greatly, particularly during the school holidays. The Food Bank is currently open Monday to Friday and we need 15 tonnes of food to see us through the Winter.

## How you can help

Donate Food & Toiletries to our 15 tonnes Winter Food Mission for South Tyneside Food Bank to see us through the Winter.

Host a harvest festival and donate to our charity.

No Work Christmas party this year? Could your organisation make a donation to our £15k Winter campaign?

## How to donate

### Donate Items:

If you would like to donate food & toiletries to Hospitality & Hope we would be grateful, also if any church, school, business or other organisations would like to collect food as a one off event or on a regular basis, you can get in touch and we can supply a strong plastic box with lid for you to store the food. We can accept non perishable food items only. Please drop off donations 9am-4pm Monday to Friday to: Hampton Street Operations Centre, Hampden Street, South Shields, NE33 4JR.

### Donate money:

Our frontline services are delivered by our fantastic team of volunteers and all of our food and clothing is donated by generous people and organisations across South Tyneside. However, like any charity we have numerous overhead costs to keep the charity going including buildings, maintenance and a number of paid staff to co-ordinate the fantastic work we do.
